

The Texas Health Aetna ER Doc app

Connect with a doctor without
leaving home*

**Thinking about going to the emergency room (ER)
or urgent care?**

For nonemergency** issues, you can skip the lines and connect with a Texas Health Aetna-participating ER doctor in minutes with the **Texas Health Aetna ER Doc** app.

With it, you can chat with a local ER doctor or schedule a video visit. And it's available 24/7, so you or your family members don't have to miss time at work or school.

The best part? There's no cost for your virtual visit! Just instant access to a doctor to help you make the best decision for you.

*Access to the Texas Health Aetna ER Doc application is not included in all plans. To learn whether access to this application is included in your plan, please call the Member Services number on your ID card.

**You should always call 9-1-1 for medical emergencies. A medical emergency is an event that you reasonably believe threatens your or someone else's life or limb in such a manner that immediate medical care is needed to prevent death or serious impairment of health. A medical emergency includes severe pain, bad injury, a serious illness or a medical condition that is quickly getting much worse.
