

Making
health care
simpler
for you.

2022 Open Enrollment

Health care with you at heart.

Everyone wants simpler health care, but Texas Health Aetna is making it happen. Bringing together the clinical excellence of Texas Health and Aetna's coverage expertise, our plans make health care simpler, more convenient and less costly for you.

Simpler health care starts here.

To get started, activate your member profile to access and manage your health plan and benefits at home and on the go. There are two simple ways to do this:

1. Online portal

Visit texashealthaetna.com and select “**member login**” and then “**register**” to create a user name and password. Then follow the prompts to include your contact details.

2. Our app

Text “**AETNAHEALTHAPP**” to **90156** and click the link to download it from the App store or Google Play. Follow the prompts to register.

24/7 access to a doctor, for free*

It's tough to find time to see a doctor, but our free **Anytime-MD** app puts one on call, in your pocket, anytime. Within minutes they'll respond to help with everyday care needs, general medical questions, minor illness, injury and allergy, care locations or prescription refills sent to your pharmacy.**

Now improved to include direct connection to specialists in behavioral health, women's health issues and weight management, **Anytime-MD** is available in English, Spanish and a variety of other languages through an interpreter on the phone - saving you time, money and offering 24/7 peace of mind.

* Access to the Anytime-MD app is not included in all plans. Please call the 800# on the back of your ID card to confirm eligibility and coverage.

For HSAs, Anytime-MD is \$45 per virtual visit with 7 days of unlimited follow-up and treatment, prior to meeting the deductible. \$0 after the deductible.

** Prescriptions (now managed by Caremark) and follow-up appointments will be billed according to your health plan's benefits.

Appointments on your time

Who wants to wait an average of 24 days to see a doctor or a specialist? Call us at **1-800-213-3224** and we'll get you timely appointments that fit your schedule, when you need them. If needed, we can also send a **DispatchHealth** care team to your home via the **Anytime-MD** app. Plus, for a \$30 copay, members can walk in to any **MinuteClinic™** location for non-emergency care.

Personal support for serious care

If illness or injury puts you in the hospital, or if you have a chronic condition, we provide a local care team to help guide you through the process of getting well. They'll keep you informed, coordinate treatment, liaise between specialists and help schedule follow-up appointments. So all you need to focus on is getting back to better health.

Don't forget to update your contact information on the member portal, so your care team can get in touch.

* Deductible waived; all you pay is the copay for preventative and emergency care services.

For referrals, talk to your doctor.

Your employer plan requires you to select a primary care doctor for a referral. They are a great resource and should know the in-network specialists who are right for you.

To select a primary care doctor, go to texashealthaetna.com and click on “Find a Doctor” at the top.

Log in as a member, or a guest, and note your employer plan is “EPO Plus/Open Access EPO Plus.” You can also call the 800-number on the back of your ID card and one of our concierge team members will be happy to help you.

Get a check-up — they're covered

Don't put off preventative and routine care if you're worried about costs. Your Texas Health Aetna plan benefits cover a range of free or low cost services, including:

- + Routine adult physical exams and immunizations
- + Routine well child exams
- + Childhood immunizations
- + Routine gynecological care
- + Routine mammograms (one per year for women age 35 and over)
- + Women's Health (see right)
- + Routine Digital Rectal/Prostate Specific Antigen Test (recommended for men age 40 and over)
- + Colorectal cancer screening (ages 45 and over)
- + Routine eye exams (1 exam every 24 months)
- + Routine hearing screening

Covered preventative care for women

Among the deductible waived* women's health services provided are:

- + Screening for gestational diabetes
- + HPV (human papilloma virus)
- + DNA testing
- + Counseling for sexually transmitted infections
- + Counseling and screening for human immunodeficiency virus
- + Screening and counseling for interpersonal and domestic violence
- + Breastfeeding support, supplies and counseling
- + Contraceptive methods, patient education and counseling

* Limitations may apply. Deductible waived means for preventative services, you only pay the copay.

See a PCP: your first stop for care

Having a Primary Care Physician (PCP), a local doctor who knows you and your needs, is the best way to get the right care at the right time. See how to find one on page 3 of this brochure. It makes sense for better health.

- + Save time and money compared to Urgent Care or the ER (average cost: \$2,500).
- + Stay healthy with check-ups, routine and preventive care, tests and screenings.
- + Use telehealth/video consults if you can't make a visit.
- + Get referrals to the right in-network experts for chronic conditions.

Remember, you can also use the **Texas Health Family Care Clinic**, in CityLine's Wellness Building, for everyday care needs like:

- + Walk-in and same day/next day appointments
- + Annual exams, health screenings and immunizations
- + Sports physicals
- + Chronic disease management
- + Treatment of non-emergency injuries and lacerations
- + Minor surgical care
- + Healthy-lifestyle education

For more information call the Clinic at **972-238-7051** or visit **Texas Health Family Care**.

Annual Enrollment is November 10 – 30, 2021
